Internship Completion Certificate

This is to certify that **Yash Balotiya** has successfully completed his internship at **Audix Technologies** for the period for **180 Days** between Jun'25-Jan'26.

During this period, he demonstrated dedication, a positive attitude, and a strong willingness to learn. He contributed effectively to the tasks and projects assigned to him and maintained a professional approach throughout the internship.

We appreciate his efforts and commitment and wish him all the best for his future professional endeavours.

Case Study Details:

Deployed and configured a local Git server for internal code management using Gitea. Built the DFIR backend using Django to support digital forensics and incident response workflows. Redesigned and revamped the internal website to improve usability. Developed a document-based personalized AI chatbot using the Mistral and LLaMA models with the MERN stack and Python to answer queries from internal documents.

A handwritten signature in blue ink, appearing to read 'Summi Rani', is positioned above the printed name.
